

## God gave me a song

God..... gave me a song  
that the an.....gels, cannot sing  
I've been washed in the blood  
of the crucified one- I've been redeemed

The Lord, has been so good to me  
he's opened doors I could not see  
sometimes- when I- am feel- 'ing low  
no one- to care- nowhere- to go  
my Father is rich, in houses and land  
he holds the power of the world, in his hand

power (as directed)  
power of the world in his hand (as directed)
