

## Good To Me

Thank you Lord for blessing me  
Thank you Lord for setting me free  
You've been right there when others left  
Lord I thank you for being so good to me (2x)

Every time I'm falling  
You pick me up  
Every time I needed  
You gave to me  
You've been my protection  
When the devil rose up  
When I was sick in my body  
You healed me

You've been right there when others left  
Lord I thank you for being so good to me (2x)
