

## HE KEEPS HIS PROMISE

You've been waiting on God to come through for  
Hoping and praying what He said He will do  
Watching and trusting, believing Him too  
For he keeps His promise, He keeps his promise,  
He keeps His promise, it will come to pass.

The wait has been long, you can't t give up  
Don't straddle the fence, in Him you must trust  
Keep holding on, you got to be strong  
For He keeps his promise, He keeps his promise,  
He keeps His promise, it will come to pass.

Every word that He speaks is yea and amen  
What He said He will it shall come true  
For His glory and honor He gives it to you  
For He keeps his promise, He keeps his promise,  
He keeps His promise, it will come to pass.

For God is not like man, He cannot lie  
Every word that He speaks, He'll make it good  
For He cannot change, always remains the same  
He cannot change, always remains the same  
For His glory and honor He gives it to you

For He keeps his promise (3 times)  
It will come... He keeps His promise
