

I've Got a Reason

1. There are so many things
that God has brought me thru
if I had all night
it wouldn't be enough time to tell you

I've got a reason, to praise the Lord.

2. I could have been dead
sleeping in my grave
but I thank God that it's another day
that God has gave me, just to live again

I've got a reason to praise
the Lord has allowed me one more day
so I must give Him, give Him praise, give Him praise

I've got a reason, to praise the Lord.

3. Many years has come and gone
but it's amazing that God kept us thru everyone
and today, right now, where I stand
I got a testimony

I've got a reason, to praise the Lord.

That's a reason (as directed)

I've got a reason to praise the Lord.
