

I CAN'T GO BACK

Vs 1 You've done more for me than I ever could
You been betta to me, than I've been to
myself

sin,
Lost in a world of sin

But now I'm free from all that pain and
misery

And I can't go back no I can't go back

Vs 2 Memories of the mess that I made in my life
You been better to me, than I've been to
myself

it,
Lord that I could make it without you Lord,
but now

But now I'm free from all that pain and
misery

And I can't go back no, I can't go back

Chorus No I can't – go back, no back, I can't go back
Cause, He has been good to me
Jesus, Jesus has set me free

No – I – can't go back
No Lord – can't go – back
