

Took my sins way

(Choir)

Oughta been'a
Oughta been there when He (repeat)
***Took my sins away**
Took my sins away
He-took-my-sins-away

(lead)

You wasn't there, when I fell on my knees
You wasn't there when

(choir in unison)

When-the-Lord-He-rescued-me

(lead)

He touched my mind
And He changed my heart
But most all, He took away my sins *

(bridge)

I'm singin **Halleluah**
Shoutin **Troubles over**
I nevah shall forget what He's done for me
From the waters, He lifted me
Now safe am I, I have the victory *

(lead)

I'm glad about it!

(Vamp)

I'm so glad!

(reprise: choir staggers in: 1. Tenors 2. Altos 3. Sop)

He took em' He took em'
He took my sins away *
